

> Universal Bracket for Self Retracting Lifeline Devices

> One bracket, multiple devices

Our REID Universal Bracket is a versatile, cost-effective solution for attaching Self Retracting Lifelines (SRLs) to accompany our Gantry and Davit product range. Developed for use in fall protection scenarios and with SRL device compatibility front-of-mind, the product fits not 1 but 8 types of market-leading SRL devices.

Like all REID products, the Universal Bracket has been witness tested in accordance with EN795 and exceeds OSHA's minimum requirement - making it a robust, trusted product to support SRL devices.

The Davit Range

Before purchasing your chosen bracket, please ensure that the system is set-up to be winch-ready.

The Gantry Range

Before purchasing your chosen bracket, please ensure that the system is set-up to be winch-ready.

If you are purchasing a bracket for a new REID Gantry you must order the additional items labelled "Winch Set-up".

If you are purchasing a bracket for an existing REID Gantry you must order a conversion Kit - for more information, please speak with our sales administrators at enquiries@reidlifting.com.
